## *Highlights from start to finish*

*What better way to find out about travelling with Insight Vacations than from one of our recent guests?*

**KIM N**  
INSIGHT GUEST

**M**y first experience with Insight Vacations was in 2012 with a trip to Scandinavia. I've been on three journeys throughout USA & Canada since then, and I've already booked my fifth trip to New England!

As I travel alone, a major drawcard for me is that Insight organises everything for you and of course the security of travelling with a small group of like-minded travellers. In the USA, I wanted to experience a great American road trip, but without having to drive on the other side of the road or through big cities - Insight allowed me to do this!

Every hotel I've stayed in has been top-class and all the Travel Directors and coach drivers have been fantastic. You receive a great overview of all the main points of interest, but the Travel Director and local guides are so knowledgeable about the little things, meaning I always learn so much more than if I was travelling by myself.

There's been too many favourite experiences and places to pick just one, but Emerald Lake in

Canada stands out in my memory. It's incredibly peaceful, nestled in the natural surroundings. Most of the group went for a walk around the picturesque lake, watching the scenery and colours change as we strolled. It was magical.

All the little extras that we were treated to along the way really made us feel special. In Athabasca Glacier we had a glass of Canadian whiskey on ice and the Travel Director would often tell everyone to order an ice cream or a drink on the house.

One of the best things about travelling with Insight is the great mix of people I've met along the way. I've made so many great friends throughout my travels that I remain in contact with today. I've even visited some in their hometowns!

I love the Insight experience and find the trips incredibly good value for money - that's why I keep coming back. I can't wait for my next trip!

# UNCOVER A HOLLYWOOD CLASSIC

## *At the last of Broadway's great movie palaces*

*Not open to the public, the lavish Los Angeles Theatre is one of the last examples of Classic Hollywood's rich architectural history. Constructed in 1931, it has played host to notable stars including Charlie Chaplin.*

**TONY H/LOS ANGELES**  
GUIDE AT THE LOS ANGELES THEATRE

It's a privilege to show Insight guests this striking 2,000-seat movie theatre that was modelled on the Hall of Mirrors in Versailles. It has hosted countless glamorous events and movie stars - most notably Charlie Chaplin, who premiered his movie masterpiece, "City Lights" here in 1931. "Charlie's Angels" and "Mad Men" were also filmed here after the theatre closed to the public in 1994.

Partly funded by Charlie Chaplin himself, there was a race to finish the theatre's construction in time for the premier of "City Lights". Because of time pressures, the theatre was essentially constructed off site and swung into position between two existing buildings.

It is one of the last movie palaces of its kind on Broadway from the era of old Hollywood glamour.

When guests arrive, I encourage them to look up, to take in the details of the theatre's fabulous five-story exterior that includes French baroque-inspired columns, urns, angels and vine details. Inside, highlights include the opulent lobby with a striking staircase that leads to a crystal fountain, plus the innovative periscope system of prisms that enabled films to be shown from the main auditorium to a secondary screen exclusively reserved for patrons.

# DOWNTOWN DINNER WITH A VIEW

*Voted Los Angeles' most romantic restaurant*

*Café Pinot is where Californian cuisine meets French-inspired fine dining. Surrounded by an imposing skyline, the restaurant offers a romantic garden setting outside and floor-to-ceiling city views within.*

**CHEF JOACHIM/LOS ANGELES**  
EXECUTIVE CHEF

We are blessed to work with Dragon, our elite forager who travels from farm to farm, picking out the best produce of the season.

Our passion for Californian farm-to-table dining was sparked some years ago and it's amazing to bring local flavours together with French-inspired fine dining in Downtown L.A.

Our diners love our romantic garden haven, which is surrounded by sweeping skylines and the historic L.A. Central Library.

Insight guests should look out for our signature French onion soup and fresh market fish served with seasonal vegetables. Our garden-inspired menu uses delicious authentic Californian produce.

# FAVOURITE PLACES

## *The Travel Director's cut*

*"I love the excitement of cities like San Francisco and Los Angeles, but it's the natural places that inspire me most. Yosemite, the Grand Canyon, Zion and Bryce Canyon National Parks are some of the most important in the entire world. Lesser known gems such as Lake Powell and Custer State Park are also some of my favourites."*

**JASON C/USA**  
INSIGHT VACATIONS

Originally from Baltimore, Jason moved to San Francisco in 1996. California's natural beauty and rich gastronomic culture are what keep this East Coaster in the West.

12 years ago, Jason decided to combine his passion for travel with his love for the western USA and become a Travel Director. Showing guests his favourite hidden gems is, for him, a highlight:

"Insight has exceptionally high standards so I was delighted when I found out that I was selected to become a Travel Director. # INSIGHT CARES

## *Enriching your travel experiences*

### PROTECT AND PRESERVE

As part of a leading global travel company, something we share with many of our guests is a strong desire to protect and preserve the stunningly beautiful environments, fascinating cultures and awe-inspiring communities of our natural world.

For every Insight guest who receives travel documents electronically, our partners at One Tree Planted will plant a tree in Northern California in their name. Within the last few years, Northern California has experienced record-breaking wildfires, causing unprecedented deforestation. Trees play an important role in the vitality of California's communities, so Insight feels it is important to give back to this region that our guests visit every year.

Another important way that we support the communities and environments we visit is through the TreadRight Foundation. Created as a joint initiative between The Travel Corporation's (TTC) family of brands, TreadRight is a not-for-profit organisation that works to help ensure the environment and communities we visit remain vibrant for generations to come.

### SOME OF THE SUSTAINABILITY PROJECTS WE'VE SUPPORTED

- **Happy Hearts** rebuilds safe, resilient schools in areas impacted by disaster.
- **Just a Drop** brings clean and safe water and sanitation to remote communities.
- **Wildlife SOS** worked with us to create a "Guide to Elephant-Friendly Experiences," to help travellers make responsible choices when participating in elephant experiences.
- In partnership with leading wildlife organisations, the **TreadRight Wildlife Initiative** is dedicated to helping ensure our planet's most at-risk wildlife populations are protected.

## YOUR GUIDED HOLIDAY BOOKING

The Travel Corporation (2011) Pte Ltd is the 'Sales Company'; Destination America Inc is the 'Operator'; collectively these companies are referred to as 'Insight'.

Your agreement is with Insight and a contract is formed when you make a reservation with us that we accept. Enrolment in and payment for a guided holiday shall constitute acceptance by the guest of the terms and conditions in this brochure. These cannot be varied except in writing by an officer of the Company.

The invalidity of any provisions herein shall not affect the validity of any other provisions. The agreement shall be construed as though the invalid provision was not contained herein and was replaced with an enforceable provision as similar as possible to the original provision.

**Disclaimer:** Travel is personal and each individual's goals and experiences may differ. Insight will not be bound by, or liable for, any description, photograph, representation or warranty made by or provided by any independent third party sales representative, Travel Agent, or other person or entity relating to any holiday offered by Insight.

**Departure Date:** The departure date is the date indicated on the booking confirmation.

**Security:** Security is a major concern to all of us and the situation globally is constantly changing. Events around the world, coupled with the "Travel Advisories" put out by various governments, may at times necessitate changes to the accommodations and itinerary or even trip cancellation. You must accept these risks involved in travel to any country that may experience security difficulties and accept responsibility for your own travel decisions.

## WHAT'S INCLUDED IN THE GUIDED HOLIDAY PRICE

**Inter-city Travel:** By private coach, trains, cruises and ferries (see itineraries). Rail travel is standard class unless otherwise stated.

**Air Transportation:** Not included unless otherwise outlined in each itinerary page price panel.

**Guided Holiday:** By air-conditioned luxury coaches. Please note on some regional holidays smaller coaches without toilet facilities are used. If due to circumstances beyond our control coaches are used otherwise than as advertised, a refund of \$10 per person will be made.

Toilets may be affected by higher altitude or extreme weather conditions such as freezing temperatures and for the comfort of those on board the coach the toilets may have to be closed. In these circumstances, additional rest breaks will be incorporated into the itinerary.

**Hotel Accommodation:** Prices are per person, based on two persons sharing with private bath or shower. Triple rooms may be available on selected holidays in limited numbers. Triple rooms will often feature two double beds. Three adults may find these rooms small and suitcase space slightly restricted. They are generally more suitable for two adults and one child. Accommodation is typically based on two-bedded rooms with a private bath. Rollaway beds are not included in triple prices.

Every effort has been made to reserve two-bed rooms; however, on some occasions, rooms with one double bed may be the only choice available. These rooms will be allocated to single travellers and couples first; other rooms may feature a single bed and rollaway bed, Murphy bed or sleeper sofa. A limited number of twin rooms are available with our Shared Rooming service. Insight shall not be responsible or liable for any claims or issues arising out of the shared rooming. Special room requests (adjacent, connecting or lower-floor rooms, as examples) must be made at time of booking. Special room requests are not guaranteed and are based on availability at time of check-in. Many hotels are 100% smoke-free, including all guest rooms, restaurants, lounges, meeting rooms and public spaces. Smoking in a non-smoking room may result in a fine.

Substitute hotels may be used sometimes. We try to use hotels of similar standard. Hotel Frequent Traveller program points are not earned with hotels on Insight holidays.

Note hotel room sizes, standards, facilities and services provided may vary from country to country and region to region and are often local in style.

**Cruises:** Per person prices are based on two persons sharing a cabin with two berths, private shower and toilet. A limited number of single and triple cabins are available at an extra cost.

**Free Wi-Fi Internet Service:** Complimentary Wi-Fi service is available in many Insight hotel guestrooms and/or the public areas of most hotels. In most countries complimentary Wi-Fi is also provided on-board the coaches except in Alaska and remote locations. The Wi-Fi on the coaches uses the mobile phone network and as a result the connection will be slower than standard broadband and at times may not be available. Audio and Video streaming is not available using coach Wi-Fi. Please note that it is not available when the main Insight coach is not being used, such as on transfer coaches and other local services. For further information on which countries Wi-Fi is offered in as well as daily data allowances please refer to the Insight website [www.insightvacations.com/wifi](http://www.insightvacations.com/wifi).

**Travel Director:** Trips are conducted in English by a professional Travel Director.

In the unlikely event that there are fifteen guests or less travelling on a departure, Insight reserves the right to operate this departure on an individual basis with private transfers and individual arrangements. Please refer to the individual guided holiday.

**Meals:** Meals are included as detailed on itineraries.

**Sightseeing:** Experiences, entrance fees and English-speaking Local Experts (when required by law) are included as detailed in the itinerary pages. **Included activities marked with (\*) in the day by day itinerary descriptions require a signed liability waiver.**

**Transfers:** Between airports, hotels, railway stations and piers are included as indicated on each itinerary. There will be no refund for missed or unused transfers. If you did not purchase your flights from Insight, you will need to provide your arrival and departure flight information to Insight at the time of booking. It is your responsibility to update Insight with any changes to your flight schedule to ensure that you receive your transfers. Failure to do so may result in missing these services and no refund shall be due for missed arrival transfers resulting from missing or outdated flight information.

**Porterage:** Luggage handling of one suitcase per person, at each guided holiday hotel and porter service at airports for intra-air inclusive guided holidays, is included in the price.

**Motor coach Luggage Allowances:** Due to limited coach capacity, a single bag is allowed with dimensions not exceeding 30"x18"x10" (76x46x25cm) and weight not exceeding 50 lbs./23kg. Carry-on/hand luggage is restricted to one piece per person, not exceeding 12"x11"x6" (30x28x14 cm) to fit under your coach seat or in the small overhead compartment. **Carry-ons with telescopic handles and wheels will not fit in the overhead compartments or under seats and therefore, cannot be accepted as carry-on luggage.** Carry-on/hand luggage handling is the responsibility of each guest and must be taken on and off the coach by each day of the guided holiday.

**Passports, Visas and other Entry/Exit Requirements:** All guests including children must be in possession of a machine-readable passport valid for 6 months after their trip return date along with applicable visas. Please refer to "Passport and Visas" section. Due to government imposed security/immigration measures, passport and emergency contact information is required for all guests prior to the release of travel documents.

It is the guest's sole responsibility to secure and/or pay for any and all visas, affidavits, immunisations, etc. that are required to be permitted entry into each destination. Please note that entry to any country may be refused even if the required information and travel documents are complete.

For up-to-date detailed information on travel documents and visas, entry/exit taxes and further information on entry and exit requirements please check with your Travel Agent or local consular services. Obtaining and carrying these documents is your sole responsibility. **Insight bears no responsibility for such information and will not be responsible for advising and/or obtaining required travel documentation for any guest, or for any delays, damages, and/or losses including missed portions of your holiday related to improper documentation or government decisions about entry.**

## BOOKING CHANGES, CANCELLATIONS & REFUNDS

**Booking Changes:** A fee of \$35 or more per person, per change plus any further cost we incur, will be charged for any revision or alteration made to a reservation after the booking is confirmed. Costs and charges may increase closer to the departure date that changes are made. We will try to make your requested change but it may not be possible.

A change of guided holiday date or itinerary within 45/90 days of departure date will be treated as a cancellation. Cancellation fees will apply except when the change is to an earlier departure date and the guided holiday price is equivalent or greater, in which case a \$35 (or more) per person amendment fee will be charged.

You must also pay any charges imposed by airlines for any changes, including name and date changes. This can be up to 100% of the value of the ticket.

**Names Changes:** A fee of \$50 per person will be charged for name changes or name corrections together with any airline penalties and other cost or charges incurred.

## CANCELLATIONS AND CANCELLATION FEES

Travel arrangements for any member of the party may be cancelled at any time by written notice by the person who made the booking. Please note the following:

- If notice of cancellation is received by Insight more than 45/90 days prior to the departure date, deposit will be retained along with Insight's Cancellation Fee Waiver payment.
- If full payment is not received 45/90 days prior to departure date, Insight has the right to cancel your reservation. Insight will not be responsible for lost reservations.
- Notice of cancellation must be made in writing directly to Insight or through your Travel Agent. Please also refer to Insight's Cancellation Fee Waiver payment.
- If a person in a party cancels and there is a room change caused by this cancellation (such as a Twin/Double to Single, or Triple to Twin/Double), charges for the new room type will be the responsibility of the remaining party.

The charges detailed in the Summary Booking and Cancellation Terms table will apply when notice of cancellation is given after the booking is confirmed.

- If a guest fails to join the guided holiday on the day of departure, cancellation fees will be 100% (unless the guest notifies us of the delay and joins the guided holiday later at their own expense).
- Cancellation fees as per the Summary Booking and Cancellation Terms table apply to additional accommodation and/or chargeable transfers prior to and after the guided holiday or cruise reserved through Insight and are additional to any cancellation fees or other charges that may be levied by your Travel Agent.

**Airline Flights/Tickets:** After deposit has been received, any change prior to airline ticketing incurs a \$35 service fee per person or if after ticketing a \$75 service fee per person. This is in addition to any airline rate increase and any additional change fees imposed by the Airline. Some airfares including published fares booked by Insight are non-changeable and non-refundable. See 'Air Cancellation Section' below.

• Insight is not responsible for other travel arrangements that you or your party has made outside Insight and which are affected by our cancellations.

If the reason for your cancellation is covered under your insurance, you may be able to reclaim these charges from your insurer. You or your Travel Agent are responsible to make the claim to your insurer.

**Illness or Absence:** Early return expenses are the guest's responsibility. There is no refund for absence or early departure from a guided holiday, including but not limited to missed hotels, transfers, meals or sightseeing. Insight urges you to purchase travel insurance to cover such circumstances. Insight makes no representation or guarantees concerning reimbursement, scope of coverage, or other aspects of any travel insurance policy or claim.

## AIR ARRANGEMENTS

**Reservations/Ticketing:** If an air reservation is made by Insight payment in full may be required for your airfare at the time of booking your flights in relation to your Insight holiday to get you to/from your holiday destination. On receipt of full air payment your airfares, taxes and fuel surcharges are final. This will be regardless of future price fluctuations up or down. When booking a guided holiday including flights, you will be required, at the time of booking, to provide us the full name as detailed on the passport, passport number, date and place of issue for each guest.

Changes to flight itineraries and name changes and/or corrections may either not be allowed or may result in penalties charged by the airline. These are the guest's responsibility.

Airlines (and other travel providers including Insight) change prices and routes from time to time. All air routings are in the sole control of the airline and are subject to change at any time.

**Air Cancellation:** Cancellations incur a service fee of \$75 per person, reduced to \$35 if air ticket has not been issued prior to cancellation, plus any airline penalties. Airline imposed penalties may be up to 100% of the air ticket price. Published Fares, Priced Match Fares, Promo Fares and some other airfares booked are non-refundable.

**Airline Seating:** Seats are limited in our contracted class of service and may not be available on every flight. Insight does not hold block space on any airline and does not assure seat availability for every single guided holiday departure date. Not all airlines offer pre-assigned seats. Some may charge for pre-assigned seats. Seat assignments are not guaranteed and are subject to change without notice due to a schedule change, equipment change or other unforeseen circumstances. Seating is solely under the airline's control. Any additional charge imposed by airlines will be at guests' expense. Where pre-assigned seats are not offered or different seats are desired, guests must contact airline(s) directly to arrange seating assignments as well as special meal requests. Insight does not assure that these requests will be granted.

**Airline Availability:** Insight reserves the right to offer alternative schedules for itineraries affected by airline schedule changes and equipment. Flight delays, flight cancellation and schedule changes are the responsibility of the airline. Insight will not be responsible or liable for such delays or rescheduling.

**Airline Special Requests:** Seat assignment and special meal requests can be requested at time of booking. Insight does not assure the request will be granted. Frequent Flyer miles can be accrued on most air carriers. Upgrades using mileage are not permitted. Many airlines do not automatically add frequent flyer numbers to records for flights booked and ticketed by Insight. It is the guest's responsibility to request frequent flyer credit from the airline. Insight shall not be responsible for matters concerning frequent flyer miles.

## CRUISE ARRANGEMENTS

The cruise line reserves the right to impose or pass through fuel surcharges, security surcharges or other incidental surcharges. No right of cancellation exists in these circumstances.

These additional Cruise Fees & Taxes are listed in the date and price panel of each Guided Holiday & Cruise program.

We recommend you check whether any insurance you have also includes your participation in adventure activities you may undertake.

Insight may, in its sole discretion, decline booking any guest or remove any guest who cannot comply or refuses to comply with Insight's terms and conditions. If this occurs, you are responsible for the cost of travel back to your hometown and Insight shall not be liable for your losses and no refund shall be provided.

**Itinerary Variations:** Insight strives to improve guided holiday itineraries, services and features. If improvements can be made, or if circumstances beyond our control make changes necessary, we reserve the right to vary itineraries and to substitute hotels. At certain peak periods multiple departures may operate, sometimes in reverse order; hotels may vary from those stated on the itinerary pages. On guided holidays which include cruises, the ship may be changed for operational reasons. Departures in early and late season are potentially operated in cool weather conditions. As a result, itinerary variations may occur. Certain activities may not be precisely as described or may not be available due to seasonality or weather conditions. We will try to notify you or your Travel Agent of changes. If your enjoyment may be diminished by such limitations, please check with us or your Travel Agent before making a reservation.

**Holidays & Changes:** During local or national holidays, certain facilities such as museums, sightseeing trips and shopping may be limited or unavailable. In such instances, itinerary changes are made by Insight seeking to reduce inconvenience to guests. Such changes are deemed not to be a major change to the itinerary, and no compensation will be payable to guests. Holidays, closing days and other circumstances may necessitate a change of the day of the week for scheduled regional meals, sightseeing or other activities. If you feel your enjoyment might be diminished by any of these circumstances please check with the respective national tourist office before selecting a specific departure date.

**Extended stays:** If you arranged with us to remain at a destination before or after your guided holiday, your stay will be at your sole expense as is the transfer to either the hotel or airport. Please see the 'trip planner box on individual itineraries for pre- and post-guided holiday accommodation. Space is limited and if available is for up to three nights before and/or after each guided holiday. Breakfast and luggage handling is not included unless otherwise noted. Insight does not provide complimentary transfers for guests booking pre- and post-night accommodations. However, inexpensive airport transfers can be purchased from Insight. Insight is not responsible for other travel arrangements affected due to our cancellations and is not liable for any cancellation penalties incurred on other travel arrangements including air tickets.

**Travel Insurance:** Insight recommends that all guests purchase comprehensive Travel Insurance. Certain countries have a requirement for foreign visitors to have valid medical insurance on entry. Insight cannot be held responsible for denied entry if a guest is unable to provide details to authorities of insurance or denial of entry for any reason.

**Disclaimer of Warranties:** The Operator warrants only that the services shall be generally, though in view of the vagaries of travel, not necessarily precisely, as described, and subject to changes and the other terms and conditions herein. All other warranties, express and implied, including warranties of fitness for a specific purpose and merchantability are expressly excluded. There is no warranty that extends beyond the description of the face hereof.

## RESPONSIBILITY

**Complete Agreement:** These booking conditions, together with the other terms incorporated into this contract referred to below, represent the entire agreement between the parties.

**Changes:** The Operator shall be responsible to the guest for supplying the services and accommodations described in this brochure, except where they cannot be supplied or the itinerary is changed due to delays or other causes of whatever kind or nature beyond the Operator's control. In such circumstances, the Operator will seek to supply comparable services, accommodations and itineraries and there shall be no refund in these circumstances.

**Disclaimer of Liability:** Neither Insight nor the Operator nor its agents or affiliated entities ("released parties") shall be responsible or liable for cancellations, acts of other service providers, diversions or substitution of equipment or any act, variation, postponement, omission or default by air carriers, land carriers, hoteliers or hotels, transportation companies, or any other persons providing services or accommodations to guests including any results thereof, such as changes in services, accommodations or facilities. Nor shall they be liable for loss or damage to luggage or property, or for injury, illness or death, or for any damages or claims whatsoever arising from loss, negligence or delay from the act, error, omission default or negligence of any person not its direct employee or under its exclusive control, including any act, error, omission, default, or negligence of any country, government or governmental authority, officer or employee. The released parties shall not be liable for indirect, special or consequential damages. **All luggage and personal effects are at all times and in all circumstances at the risk of the guided holiday participant.** Insight recommends that guests obtain luggage insurance. After return at the end of the guided holiday, if lost articles are found and returned to the owner, a service fee will be charged. The Travel Directors, carriers, hotels and other suppliers who provide services on guided holiday are independent contractors; they are not agents, employees or servants of the Operator or its associated companies. All certificates and other travel documents for services issued by the Operator are subject to the terms and conditions specified by the carriers and suppliers and to the laws of the countries in which the services are supplied. Carriage by sea is subject to the Carrier's Conditions of Carriage which are expressly incorporated into this contract, copies of which are available upon request. The released parties are not responsible for any criminal or other conduct by third parties, whether criminal, intentional, grossly negligent, negligent or otherwise.

**Additional Risks:** Additional risks and dangers may arise including, but not limited to, hazards of Travelling in undeveloped areas, hazards of travel by boat, train, automobile, aircraft and other means of conveyance, animal interactions, forces of nature, political unrest, other unrest, hazardous local customs and practices, differing levels of sanitation, differing standards of safety, risks associated with water, food, plants, insects and differing animal regulation, accident or illness in areas lacking means of rapid evacuation or medical facilities, and acts of national and local governments and unrest and acts of others against governments. These risks are not an exhaustive list but are examples of many kinds of risks. You are voluntarily participating in these activities with the knowledge that there are significant dangers involved, and you hereby agree to accept any and all risks. As lawful consideration for the agreement with Insight to participate in such trips and activities you agree you will not make a claim against Insight, its related companies or its personnel or sue for bodily injury, emotional trauma, death, property loss or damage or other loss, cost or expense, however caused, as a result of or related to your contracting for, Travelling to or from, or in any and every other way participating in the trip. You release Insight, its related companies and its personnel from any and all claims, known or unknown, arising from contracting for, travelling to or from, and in any and every way participating in a trip. This release of liability and assumption of risk agreement is entered into on behalf of you and all members of your family and party, also including minors accompanying you. This agreement also binds your heirs, legal representatives and assigns.

**Safety:** Where the guest occupies a coach seat fitted with a safety belt, neither Insight nor the Operator nor its agents or co-operating organisations or service providers will be liable for any injury, illness or death or for any loss or damages or claims whatsoever arising from any accident or incident, if the safety belt is not being worn at the time of such an accident or incident. This exclusion and limitation of liability shall not be used to imply that the Operator or its agents or affiliated entities are liable in other circumstances.

**International Treaties:** Transportation companies, airlines etc. are not to be held responsible for

any act, omission or event during the time guests are not on board planes, transportation or conveyances. We rely on international convention which may apply to the services provided by us, our suppliers or agents with respect to any claim of any nature brought by you against us as a result of the provision of those services.
