The background of the entire page is a photograph of a savanna landscape at sunset. Several tall baobab trees with thick trunks and sparse, flat-topped canopies stand in a field. In the foreground, there is a body of water with lily pads, which reflects the trees and the warm orange and yellow light of the setting sun. The sky is a clear, pale blue.

CHAPTER

FROM SIDNEY TO AUCKLAND

1 MYSTICAL LANDS AND WONDERS

For the first time in history we start our World Cruise with an overnight in Sydney. After enjoying Australia's culture capital after dark, set sail for Hobart; the cosmopolitan city in Australia's most southerly state. New Zealand is next, and a spectrum of experiences from the ethereal beauty of Milford Sound to the mighty scenery of Picton.

VIEW FROM TOP OF MT WELLINGTON, TASMANIA

HOBART (TASMANIA) / 12-13 January

Explore booming Hobart during an overnight. An ex-penal colony, nowadays Australia's second-oldest city is encircled by dramatic cliffs, landscaped gardens, undulating mountains and endless ocean views. Generous sunshine and cool Antarctic breezes help Hobart to produce its acclaimed wines, so be sure to taste a glass of local Pinot Noir.

WATERFALL IN MILFORD SOUND, NEW ZEALAND

MILFORD SOUND (NEW ZEALAND) / 16 January

Milford Sound sits within South Island's Fiordland National Park. As one of the four national parks forming the UNESCO World Heritage site "Te Wahipounamu" - pounamu being the local greenstone used for carvings by the Maori - expect steep cliffs, impressive waterfalls and dense rainforest that characterise this 8th wonder of the world.

AKAROA, NEW ZEALAND

AKAROA (NEW ZEALAND) / 18 January

There are many stunning places in New Zealand, but none of them can quite hold a candle to Akaroa. At less than 50 km from Christchurch, the town (Maori for "Long Harbour") stands on a peninsula formed by two volcanic cones. Self-styled as nature's playground, such a moniker might seem superlative elsewhere, but, surrounded by natural wonders, Akaroa's epithet is well earned.

MYTHS AND RITUALS

VIEW ON THE CORAL REEFS, PAPUA NEW GUINEA

Weave your way through Melanesia and some of the world's most remote islands. Pass by the gloriously undeveloped archipelago Bay of Islands before setting foot on Vanuatu's South Pacific paradise. Three full days in Papua New Guinea offer a life changing opportunity to understand the deep roots of Papua's age-old culture through the traditional dances of Rabaul and Madang.

MYSTERY ISLAND, ANELGHOWHAT (VANUATU) / 28 January

The uninhabited Mystery Island carries its name well. Located at the bottom of the 40-island Vanuatu archipelago, Mystery Island is less than 160 km² yet bears the weight of almost 3,000 years of ni-Vanuatu history. Visitors are always welcome here, so don't be surprised if locals from other islands sail over to share their tales and traditions.

RABAUL (PAPUA NEW GUINEA) / 03 February

Rabaul's remote location together with the fact it is built on one of the most active volcanoes in Papua New Guinea means tourism is not rife. This is Papua at its most authentic, linguistically diverse, astonishing cultural variety and a great expression of identity. Divers will also be richly rewarded - the marine life is extraordinary.

ROMBLON (PHILIPPINES) / 12 February

Mesmerising, paradisiacal sands and sparkling waters sum up Romblon. These islands create a truly stirring vision of Asian beauty - dazzling all visitors who head for these turquoise fringed shores. Remote and remarkable, enjoy the staggeringly picturesque archipelago that make the Philippines so very covetable.

NEW WORLDS, OLD STORIES

BENCHAMABOPHIT TEMPLE IN BANGKOK, THAILAND

Six splendid overnights make this voyage something to write home about. Beginning with Manilla, you'll enjoy seeing another side of Hong Kong, Halong Bay, Ho Chi Minh City and Bangkok after the sun goes down. Explore the bottomless well of past, present and future that gives South East Asia its unique blend of culture and charisma after dark.

HA LONG BAY (VIETNAM) / 20-21 February

Ha Long Bay forms one of the most spectacular natural landscapes on the planet. At least 1,600 green islands rise over a flotilla of strung-together fishing boats and floating villages. Spectacular at any time, sunset bathes the remarkable limestone formations in warm, honey-coloured light, adding an extra layer to the seascape's heart-stirring beauty.

HUE, CHAN MAY (VIETNAM) / 22 February

There is a treasure trove of rich cultural experiences in Hue. It's hard resist the idyllic beaches, busy markets and iconic landmarks, but it is the city's Dragon Bridge that makes overnight guests swoon. The bridge comes alive at night, when light shows illuminate its flowing form, and the bridge's dragon head rasps fire into the dusk.

HO CHI MINH (VIETNAM) / 24-25 February

A chaotic, enchanting swirl of sensory stimulation, Ho Chi Minh City is a place of incense-infused temples, colonial architecture, warm people and delicious street food. Formerly known as Saigon, the city was affectionately-labelled Pearl of the Orient by the French. Spot the French connection that is everywhere – from the Notre Dame Basilica to the Saigon Post Office.

FROM SINGAPORE TO MAHE

4

A WEALTH OF CIVILISATIONS

SUPERTREE GROVE IN GARDENS BY THE BAY, SINGAPORE

Explore more during this fourth segment of our World Cruise. Travel through the Seychelles and Sri Lanka all the way to the Maldives, enjoying extended stays in port. Enjoy the dichotomy of Singapore's futuristic perfection, Phuket's dreamy, dramatic landscape and Yangon's heady mix of colonial past and glorious Burmese present.

YANGON (MYANMAR) / 8 - 10 March

Magnificent temples, monuments and pagodas glint in the sunshine of Yangon. Although it's no longer Myanmar's capital, Yangon remains the country's largest and most culturally alluring. The day starts early here; mingle with the locals by sipping *laphet yay* in one of the many inviting tea shops – Burmese black tea with condensed milk.

TRINCOMALEE (SRI LANKA) / 13-14 March

Built on a one of the world's largest natural harbours, Trincomalee is a gateway to the deep historical interests of Sri Lanka. Richly cultural and historic, the town is surrounded by treasured sites, many of which are UNESCO World Heritage. Explore the evocative and majestic holy sites in this multi-cultural, fascinating destination.

PRASLIN (SEYCHELLES) / 20 March

Loved by those who like their paradise au naturel, Praslin is one of the Seychelles' most beautiful islands. The difficulty in getting to it means there are no modern attractions. Entertainment here comes very much from the lush jungle, home to the famous and legendary Coco de Mer, as well as the surrounding sea.

CHAPTER

5

FROM MAHE TO CAPE TOWN

AFRICAN ENCOUNTERS

A healthy measure of relaxation and exploration comes next. Zanzibar's UNESCO Stone Town promises something extraordinary while authentic experiences take on a new meaning with the lemurs and baobabs of Madagascar. Follow this with some chic à la française in the Reunion and Mauritius, a dose of vitamin sea before the African mainland hoves into view.

ZANZIBAR (TANZANIA) / 25 - 26 March

There is much more to Zanzibar than meets the eye. Breathe in the heady scents and you'll understand why locals call it the Spice Isle. Zanzibar was once on the trading route from Arabia to Africa, the epicentre of which was in the Market Square in the heart of Stone Town. Today Stone Town is a popular UNESCO World Heritage Site.

TOAMASINA (MADAGASCAR) / 31 March

Situated on the east coast of Madagascar, Toamasina is defined by long beaches, endemic flora and fauna, as well as plantations of coffee, vanilla, clove, banana, coconut and lychee. The city itself is a jumble of bric-a-brac chic – streets lined with palm trees sit alongside old, crumbling colonial buildings and traditional creole houses.

POINTE DES GALETS (REUNION) / 03 April

Balancing ecological diversity, soul-stirring panoramas, lively coastal cities and a sprinkling of white- or black-sand beaches, the Reunion is an extraordinarily varied island. Considered as one of the most beautiful of the Indian Ocean, *La Réunion* – to give it its French name – is magical, significant and paradisiacal in equimeasure.

CAPE TOWN (SOUTH AFRICA) / 12 - 14 April

Sprawling across endless blue coastline and watched over by the iconic Table Mountain, Cape Town is surely one of the world's most beautiful cities. A blend of spectacular scenery, multiculturalism and relaxed charm awaits in the Mother City, where you can venture out to rolling vineyards, dine in laid back suburbs, or explore cool urban culture.

WALVIS BAY (NAMIBIA) / 16-17 April

Home to a beautiful lagoon, washed pale pink by a colony of resident flamingos, Walvis Bay is a colourful African call and home to some of the continent's most flamboyant wildlife. The city is on the cusp of the sun-scorched Namib Desert beyond - the famous Dune 7 rises up 380 metres to form the highest sand dune in the country.

TAKORADI (GHANA) / 25 April

Like much of West Africa, Abidjan and Takoradi have soul in buckets. Both cities are bubbling with energy, enjoying a diversity of cultures from a strong French connection on the Ivory Coast to the colours and chaos of street in Ghana. WELCOME TO THE AMAZON

SUNSET VIEW OF THE AMAZON RAINFOREST

From Africa's east coast to the beating heart of Brazil. First stop off in Cape Verde before travelling across the Atlantic to step foot on terra firma in Macaba. But the highlight of this voyage is surely a trip along the mighty Amazon and the remarkable wildlife of the world's second longest river. All-new destinations make this segment an all-exciting adventure.

PRAIA (CAPE VERDE) / 3 - 4 May

At almost 300 miles off the coast of mainland west Africa, the remoteness of Cape Verde has allowed the archipelago's natural wildlife to flourish. The islands are a mini Galapagos, and that, along with astounding landscapes, a lively market, warm climate and clear waters are reason enough to fall in love with Praia's shabby grandeur.

SANTARÉM (BRAZIL) / 12 May

If you are looking for an authentic taste of rainforest culture, then look no further than Santarem. The little city is found at the confluence of the Amazon and Tapajós rivers and this "meeting of the rivers" phenomenon, where the crystal clear waters of the Rio Tapajós flow into the murky brown of the Amazon without merging is one of Santarem's biggest pulls.

MANAUS (BRAZIL) / 14 - 15 May

The famous Meeting of Waters, where tannin-rich water from the Rio Negro combines with milky water from the Rio Solimões to form the Amazon give Manaus its unique character. The jungle beckons visitors to explore and discover here - in the largest rainforest on Earth, it is easy to forget the hustle and bustle of the city and simply enjoy the wonders of nature.
