# contikicare

Travel is an amazing gift, but it comes with responsibilities. Contiki Cares is our commitment to protect the communities we visit, the wildlife we interact with and the planet we all share. Because we only get one planet, and together we can **make travel matter**. See p.10.

## TRAVEL YOU CAN TRUST

It's been a year of uncertainty, but with us you can be certain your well-being is our number one priority. Your trust is the most important thing to us - we've been doing this for over 50 years, after all. We're also part of The Travel Corporation, a family of brands with over 100 years of experience travelling the world. Bring on 2021.

WHY CONTIKI

# TRAVEL TOGETHER

## What's shared travel, and why is it the most important part of your trip?

Shared travel is central to your Contiki experience. Travelling with a group of other people is about inspiring each other, growing together, being part of something

incredible and leaving with lifelong friends. Join us solo, with some pals, or as a couple - whichever way, long after your trip is over, you'll still feel part of a global family.

### Extraordinary friendships in the words of our travellers

MEMPHIS, USA  
@TIFFANY\_G

GRAND CANYON, USA @EMHODG93

### Things you can only do when you share travel

**Inspire a new friend** to push themselves & conquer their fears as they soar over the treetops of Whistler on a zipline.

**Have a ready made party crew** to tour the Vegas Strip at sunset.

**Turn a corner in an unfamiliar city & see a familiar face.**

**Have someone to watch your stuff** when you take a dip in South Beach, Miami.

**Make friends from cities all over the world** (you'll always have a place to crash when you travel).

**Have a crew of personal photographers on hand.** (Never awkwardly ask a stranger again).

**Lachlan R**  
LA to the Bay

You definitely get what you pay for on this trip, plus a little extra. Money can't buy the good people you meet, however, and that really does make a big difference. It was an absolute joy to experience everything on this trip with this particular Contiki Crew, and with such a great Trip Manager & Driver. Would definitely recommend for those looking to get out of their comfort zone.

**Fiona S**  
Canada & The Rockies

This trip has been the highlight of my life tbh. [...] I was a bit concerned about a group holiday because I'm not huge on going out, but found I was with the loveliest group of people (ranging from about 20 to 32, average was maybe 26?). Even if I didn't manage to go out I was able to become good friends with everyone on the trip, and never felt like I missed out or that I was a lesser member of the Contiki family. No doubt I will keep in touch with them. I absolutely have no regrets about going on a Contiki and definitely will [travel again] in the future.

**Reviewed March 2020**  
The Powder Rush

Amazing. Trip of a life time. I thought being a shorter trip you wouldn't get much time to make good friends but I was wrong. We made amazing friends, Alex the Trip Manager was great. Good amount of time in each place. Canada is the most beautiful place I have ever seen, can't wait to go back. Would highly recommend!

Do the trip. Don't put it off. It was a great trip all round (e.g. making new friends, not having to worry about accommodation and finding activities to do) ... I'm glad to say that I've made tight friendships with some of the people on the trip.

## Travel bubbles

From start to finish, on your trip you'll be travelling with your 'travel bubble' of Contiki travellers. All activities & meals will be with these travellers only & everything will be overseen by your highly trained Trip Manager. We've vetted all local suppliers & guides to ensure that hygiene & distancing protocols are adhered to at all times.

### PRE TRIP

From booking to right before you leave, we'll keep in touch, & make sure you're up to date & ready to go.

### OUR FLEXIBILITY PROMISE

We've made it easy to change your travel plans up to 30 days prior to your trip's departure date. You can choose new dates & or a new destination without penalty on the land portion of your trip.

### PRE-TRIP HEALTH DECLARATION

All travellers will complete a personal wellness declaration before joining a trip. If you've tested positive for COVID-19 or are travelling with someone who has, you will not be able to join the trip until cleared as 'fit for travel' by a medical professional.

### AIR TRAVEL

Specific details will vary by airline, but standard operations typically include flight attendants wearing masks, sanitising all surfaces between flights & enhanced hygiene protocols. Check with your airline for any change of travel plan fees as these may still apply outside The Travel Corporation Flexibility Promise time frame of 30 days. We recommend travel insurance for any problems that may arise within 30 days of your trip starting.

### ALL THE LATEST INFO

We'll be in touch before your trip kicks off with a detailed email, sharing health & hygiene guidelines in accordance with the local guidelines specific to your trip, as well as information around how to recognise COVID-19 symptoms. We want you to feel as prepared as possible by the time your trip departs.

### ON TRIP

While you travel with us, you can be sure that we are taking every step to ensure the well-being of all our team & travellers on trip.

### ARRIVAL & WELCOME

At a kick off meeting, your Trip Manager will cover what you can expect & all the necessary well-being precautions on trip. These meeting times have been arranged so you won't encounter other groups unnecessarily.

### YOUR TRIP MANAGER

Trip Managers will submit a Self-Health Declaration prior & post trip. Our industry leading training has been adapted & enhanced to include a dedicated module on dealing with COVID-19. They, & our Traveller Support team, are available 24/7 throughout the trip should any situation arise.

### PHYSICAL DISTANCING & GROUP SIZE

We control our group sizes in each region to ensure we comply with every destination's distancing requirements & for the peace of mind of all of our travellers.

### PERSONAL PROTECTIVE EQUIPMENT (PPE)

It is important that you bring your own face mask to comply with regional guidelines. It is also a good idea to bring hand sanitiser, though it will be available on the coach at all times.

### COACHES

Our coaches are thoroughly sanitised before the start of your trip. Our drivers are trained on all the latest hygiene protocols & will clean & disinfect all coach surfaces daily. Plus we've got new protocols to get on & off our coaches to ensure physical distancing is maintained.

## SIGHTSEEING, LOCAL GUIDES, HOTELS & RESTAURANTS

Every supplier must be fully compliant with locally mandated standards for us to work with them. We'll arrange priority entrance whenever possible & ensure physical distancing throughout. All our Local Guides will have been trained on hygiene protocols & provided with the same checklists & standards your Trip Manager will adhere to.

## SELF-SCREENING

We'll ask all travellers to monitor their health throughout their trip, with protocols in place in the event someone becomes ill or displays symptoms of COVID-19.

## AFTER YOUR TRIP

We ask travellers to be in touch should they develop symptoms within 14 days of the trip ending, so that we can alert all travellers & the Trip Manager of your trip.

VIRGINIA WOOLF X CONTIKI

To eat in a country, is to taste its history, its culture & its love of life. It's a way to meet some of the locals and bond with new friends; and it's a way to learn impressive new skills to take home. That's why food is so important to us - these aren't just meals, these are unforgettable experiences.

## WHAT'S TO EAT ON YOUR TRIP:

HOT COFFEE & WARM BEIGNETS, NEW ORLEANS, USA

THE CHEAT DAY OF DREAMS, IN'N'OUT, LOS ANGELES, USA

CUBAN ROPA VIEJA, MIAMI, USA

### BREAKFAST

Start your day the right way, included most days on your trip. If you're a coffee lover - taste the way Americans brew their Java. It will definitely get you ready for the day ahead.

### ROADSIDE SNACKS

In any other part of the world - fast food restaurants aren't realllyyyy our thing. But in America - well, here it's a whole different ball game. This is the home of cheeseburgers, hamburgers, and ALL the fries you can dream of.

### GROUP DINNERS

If you take up the offer of a Salsa lesson you will definitely work up an appetite, for this Cuban feast. Sip a margarita, & get to know new friends as you dig into Ropa Vieja (a slow cooked beef) with plantains, rice & beans at Ball & Chain.

**AMERICAN BBQ**

If, like me, you spent 2020 watching cooking shows, you probably came across one or two American style BBQ shows. And while that may have given you a hint of what it's like, nothing compares to the real deal. Carefully watched over by the Pitmaster, who, with their years of experience,

turns out delicious meal after delicious meal with precision, for the perfect crust, spice, smoke & absolute deliciousness. This is serious business in the South. No one restaurant will be the same so you really have to try it all. And, don't forget the sides, mac & cheese & slaw.

**TRIP MANAGER TIP**

*No BBQ is complete without a brownie to top it off. We never said you'd lose weight on the trip but we know you won't regret a thing.*

## TRAVEL DOCUMENTS

### MYCONTIKI!

#### WHAT'S MYCONTIKI?

This is our platform to get all the info we need from you & give you all the info you'd like from us.

We need you to register for your trip at [my.contiki.com](http://my.contiki.com). This only takes a few minutes & means we'll have:

- Your personal details, including your email address & phone number.
- Your emergency contact info & travel insurance details, just in case we need it.
- Your dietary, medical or other special requirements you may have.
- Your completed Travel Health Declaration before departure.

Provided full payment has been received on time & registration is completed, travel documents will be available to download no later than 21 days prior to travel, as we don't print these (save the trees!). You'll also find out where your Contiki trip will start & exactly what accommodation you'll be staying in – plus the answers to a host of other FAQs.

## PASSPORTS, VISAS & OTHER ENTRY & EXIT REQUIREMENTS

### WHAT PASSPORT DO I NEED?

All guests must be in possession of a machine-readable passport valid for 6 months after their trip return date along with applicable visas. Due to government imposed security/immigration measures, passport & emergency contact information is required for all guests prior to the release of travel documents.

### WILL I NEED A VISA?

Because the details change so much depending on what country you're from & what country or countries you're travelling to - we can't tell you which Visas, Electronic Travel Authorisations (ETAs), affidavits or immunisations you'll need. In some countries you may be subject to entry (reciprocity) fees &/or departure taxes/exit fees which will be collected at the airports upon entry/ departure by local government authorities. We do definitely recommend getting any visas you need before you travel, as it's not always possible or quick to get them at the borders.

For all the latest info on the travel docs, visas, requirements & fees associated with entry & exit of countries, you must check with your Travel Agent or local consular services. It's up to you to ensure you have all the right documents with you when you travel. Contiki bears no responsibility for such information & will not be responsible for advising &/or obtaining required travel documentation for any guest, or for any delays, damages, &/or losses including missed portions of your holiday related to improper documentation or government decisions about entry.

## GENERAL INFORMATION & CONDITIONS MINIMUM NUMBERS

Some trips are based on a minimum number of persons travelling. If a trip fails to satisfy minimum numbers, the trip may be cancelled or rescheduled.

### BOOKING WITH A TRAVEL AGENT

If you book your holiday through a travel agent then you acknowledge & agree that for your booking to be confirmed & maintained, we must have received all payments from your travel agent as detailed in the Summary Booking & Cancellation Terms. You also agree that your travel agent is independent of Contiki & our control; & that unless expressly authorised by us in writing, we are not bound by or liable for anything affecting us that the agent may or may not do.

### OVERLAPPING/MODULAR TRIPS

To offer our travellers more flexibility around when they start & how long they travel for, some of our trips are sections (or modules) of larger itineraries. This means that some of them overlap – for example, some of your group may have already been travelling before you join them, & may continue travelling after your adventure has come to an end.

### AGE RESTRICTIONS

Travellers must be aged between 18 & 35 inclusive at the commencement of your trip to travel with Contiki. Our trips are designed for this age group, so please bear that in mind when you book. On some experiences as part of your trip you may be joined by other travellers who are not in the 18-35 age group. Countries have different age limits for the consumption of alcohol & other activities. You must ensure you satisfy the age limits before participating in any activity with age limits (such as the consumption of alcohol) & you release us from all liability & claims arising from your inability to participate in such activities.

### HEALTH, REDUCED MOBILITY, MEDICAL CONDITIONS, DISABILITIES & ASSISTANCE WHEN TRAVELLING

If you suffer from reduced mobility or have any other disability or medical condition which may affect your holiday arrangements, you must provide us with full details before booking. We don't provide personal devices & can't guarantee disabled access in all cities. If you have any concerns about mobility or

a disability, give us a call & one of our team would be delighted to answer any questions you have.

### SPECIAL REQUESTS

If you have any dietary requests, allergies or any other special request, please advise us at the time of booking. Although we will endeavour to pass any reasonable requests on to the relevant supplier, this is not confirmation that all requests will be met. It's your responsibility to double check & reconfirm any requirements with all holiday suppliers.

### WHAT IS A KICK-START MEETING?

Every trip has a kick-start meeting, hosted by the Trip Manager, which happens either the night before the trip is due to start or in the evening of the first day of the trip. The kick-start meeting is where you will meet some of your group for the first time, as well as your Trip Manager. In this meeting, your Trip Manager will give you an overview of how things work on Contiki, a health & safety briefing, as well as take all necessary information/documentation they may need from you.

### BOOKING SECURITY

Contiki has been running trips for young people since 1962 & in all countries we fully comply with local Travel Industry Laws.
