TRAVEL FOR 18 - 35 YEAR OLDS

USA & CANADA 2019 - 21

SHOT BY CONTIKI TRAVELLER

@DANIELLEGRASSO

TOP OF THE ROCK,
NYC, USA

UNFORGETTABLE EXPERIENCES LIFELONG MEMORIES.

What makes travelling the USA & Canada so special?

For us, it's not just about ticking off the icons like New York, Las Vegas, Miami, & Whistler. It's about the experiences you have while you're there.

The experiences that break down barriers and make you comfortable outside your comfort zone. The moments you learn about the people around you, and learn about yourself.

It's not about ticking boxes, it's about chasing your curiosity. Even if it scares you.

It's about knowing you'll still laugh about that day, when you're old and grey.

It's about knowing how to make every moment count. Because everyone wants a good story to tell.

And that's where we come in.

WAYS TO TRAVEL

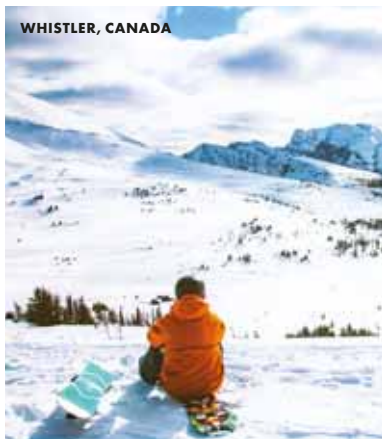

Travel experiences
created with you
in mind.

GOLDEN GATE BRIDGE, SAN FRANCISCO, USA @DAVIDJSAYAH

Our different travel styles are all about giving you choice. Whether you want to see as much as possible, or spend time getting to know a place, we have the perfect way for you to see the USA & Canada.

No matter the style, every trip with us delivers value without compromise.

group size

Our group sizes on trip vary for the best experience in every destination, whether it's a full crew for city adventures, max 30 people for convenient internal flights, or an intimate bunch of max 15 to explore the nooks & crannies of Alaska & America's National Parks. See trip pages & contiki.com for all the details.

We've got 2 ways to travel in the USA & Canada:

DISCOVERER

SEE IT ALL, DO IT ALL

If you're a dreamer, explorer and bucket-list ticker, our Discoverer trips are for you. The perfect travel style for those looking for equal parts iconic sights and local experiences, these trips will take

you from the heights of the Empire State Building to the depths of the Grand Canyon, experiencing good old fashioned Southern hospitality and European-infused Quebec in between.

IN-DEPTH EXPLORER

GO LOCAL

Our In-Depth Explorer trips are the perfect way to uncover a region in all its glory. Built around local experiences, regional tastes and a more chilled pace, get to know places like the East Coast, Alaska, the Pacific Northwest or

the best parts of Canada, just like a local would. More time in each destination and loads of free time means every day is a new adventure in which the memories come thick and fast.

Plus, check out our other awesome ways to travel.

SKI & SNOWBOARD

Fresh air & fresher powder calling your name? The snowy runs of Lake Tahoe, Whistler & Banff are waiting. **See p.66 for more.**

SHORT STAYS

For life's moments. Spend a sparkly NYE in NYC & ring in the new year with a bang. **See p.69 for more.**

EXPERIENCE IT YOUR WAY

Make every moment count — building your dream trip is what our experiences are all about.

Travel is about the places you visit, but it's what you do in that destination that really makes the difference. You want to be amazed. You want to connect to a culture. You want to do something utterly incredible; something you never even knew was possible.

So that's how we've designed our experiences. Iconic, unique and unexpected, take your pick and create a trip that is bespoke to you, and your budget.

We split our experiences into two groups – Included Experiences and Free Time Add-Ons.

INCLUDED EXPERIENCES

These are experiences included in the cost of your trip, because if trying deep dish pizza in Chicago, or cruising to Niagara Falls aren't North American essentials, we don't know what is...

FREE TIME ADD-ONS

Want to do something memorable with your free time? Take your pick from our menu of awesome add-ons available to buy once you're on your trip. We have heaps of options every day, so whether taking a helicopter ride over the Grand Canyon or learning how to make gumbo is more your style, you can take on the USA and Canada your way.

Look out for the Included Experiences and Free Time Add-On icons on trip pages to see what you will experience on each trip.

CONTIKI FAM SNACKS AT A LOS ANGELES MARKET

THE FAM DINNER

A selection of group meals are included on all trips
Trip Manager Kade at Gus' Fried Chicken, Memphis
@contikikade

Beyond delicious included meals, I love sharing my favourite foodie destinations with travellers. Gus' Fried Chicken is at the top of my little black book of foodie hotspots to send the Contiki Fam to in Memphis. It's world famous, & a local tradition. We try to secure a table, though it's gets really busy and sometimes grab it to take-away. It's a simple all-American aesthetic with red checkered tablecloths & neon signs, and a menu of thigh, breast, macaroni and 'slaw, that's seriously delicious. We all order and pay, then sit down to share this taste of Memphis together. Sure, there's nothing fancy about Gus's Fried Chicken, but it's the kind of perfect crispiness, spiciness, and succulent juiciness that makes fine dining seem pointless.

Why can't everything in life be this gloriously simple?

Trip Manager Kiran at New Orleans
Cooking School @kirancontiki

There's no better way to get the full Louisiana experience than by learning exactly how some classic New Orleans dishes are made. Meet a lively local chef and learn how to prepare

some Creole classics like gumbo and jambalaya. The smells are incredible, but the best part of all is digging into these vibrant creations with a glass of sweet ice tea.

THE SOCIAL ENTERPRISE

Trip Manager Emily at FareStart Restaurant, Seattle

When we visit FareStart's flagship restaurant in Seattle, it's about more than its award winning food. It's also about its incredible mission: using the restaurant's revenue to create job training programmes that ultimately help to alleviate hunger, poverty and

homelessness in the local community. As well as training disadvantaged young people with vital, real-world skills, FareStart prepare meals for schools, shelters and daycare centres, all while eliminating waste, creating community value and transforming lives.

WITH CONTIKI VS BY YOURSELF

ABOVE AND BEYOND

I will never look back and regret a cent of how much this was. The people I met and experience I had can never have a price tag put on it. For all that I saw and did this seemed well worth how much I spent.

And because a lot of extra expenses were optional it's easy to budget in advance for what's worth doing or not. I did most options and have no regrets. At any point. I would do it all again in a heartbeat

GRAND SOUTHERN, FEB 2019, LEAH

A DAY IN MIAMI WITH CONTIKI

ACCOMMODATION

Tonight we're staying at The Washington Park Hotel, it's so close to South Beach... though there is also a pool for that 4 star luxe life!

BREAKFAST

Wake up & head to breakfast. It's right downstairs & while I sip coffee & munch on breakfast, we discuss where we're going today.

TRANSPORTATION

It's been so easy to get around. Rolled up yesterday in our Contiki coach. And today - super easy! Picked up from the hotel, now, bring on the activities!

SIGHTSEEING

We saw so much today - went on a walking tour of Calle Ocho in Little Havana. The pastelitos were delish and the Cuban coffee - a burst of caffeine. Now we're just going to finish it off with an included dinner at awesome local place Moreno's.

TRAVEL BUDDIES

I was nervous about travelling with strangers - but these guys have become such good friends now! We're already planning trips to visit each other after our Contiki is finished!

FREE TIME ADD-ON

Definitely made the most of today's activity choices... Chilled on the beach for a bit, and even lived it up Miami Vice-style with a Thriller speed boat ride.

MAKE TRAVEL MATTER

— We believe sustainable tourism matters. Contiki Cares is our commitment to preserving the planet, wildlife, and giving back to the communities we visit for generations to come.

PEOPLE

SUPPORTING COMMUNITIES & CULTURES

To make travel mutually beneficial for all, it's vital that travellers invest in local communities. We support communities & empower local women through our experiences & with the support of our travellers. In Toronto, the StoryBoot Project teaches and shares the art of mukluk-making with local students

& visitors, helping to preserve the rich heritage of this community. In Seattle, we visit a local restaurant FareStart, where all proceeds are used to train apprentice chefs, preventing homelessness. So just by eating lunch, we give back to the community, & make travel matter.

WILDLIFE

PROTECTION & AWARENESS

The world's wildlife is balancing on a dangerous precipice. Partnering with leading wildlife organisations such as Wildlife SOS & the Wilderness Foundation, we're determined

to do something about it. We support and educate on ethical animal experiences and protect the world's most at risk wildlife from extinction.

PLANET

SUSTAINABILITY & CONSERVATION

Reduce and reuse isn't just a catch phrase for us, it's a lifestyle. We've committed to eliminating single use plastics at our offices, and on the road by 2022. In 2019 our crew will all be equipped with innovative, reusable bottles, and tote bags which travellers will be able to buy on trip.

In 2017 we introduced e-docs which allows our travellers to receive their documents digitally. There's no need for paper and we planted 42,776 trees in travellers' names in 2018 as part of our plant a tree initiative.

All of this, whilst supporting projects to keep our oceans & coastlines clean. Our offices in North America take time out of their schedules to pick up rubbish off the side of the roads, so it doesn't end up in our water ways.

Please Note: Do not book flights before 9:00pm.

This tour is worth every penny & is probably the best \$\$\$ I've spent on travel in a long time. The places we saw, things we did/learned, and the cultural knowledge we have gained is far beyond what I expected any tour to provide. It also felt like the most culturally immersive tour I've been on and I really felt like we got the opportunity to live like a local and experience true southern charm :)

ALASKAVOLCANIC LAKE,
ALASKACOPPER MINE McCARTHY
ALASKAICE HIKING,
ALASKA

The one that takes a hike on the wild side, as you camp in Alaska's sprawling national parks on an unforgettable adventure

TRAVELLING IN WINTER?

You'll be toasty warm staying in cosy lodges instead of camping.

START 4PM ANCHORAGE

DAY 1 ANCHORAGE

We'll begin in the largest city of Alaska, where you'll be treated to spectacular views of the mountain ranges on arrival. This rugged city is a gateway to the nearby wilderness & National Parks, & the people who live here share their wild landscape with families of wolves, moose & bears – it's safe to say this isn't a city like you've experienced before! We'll spend this evening settling in & trading tales with our Contiki crew over a dinner of local Alaskan fare. (D)

DAYS 2 - 4 DENALI NATIONAL PARK

Now it's time to head to the heart of adventure, the awe-inspiring Denali National Park. Arriving at our campsite, we'll have plenty of opportunity over the next few days to hike this incredible landscape, hoping to spot bears, moose, caribou or wolves (while maintaining a safe distance!) You'll have the opportunity to fly over the National Park & around Mt Denali – the highest mountain peak in the USA – & in the evening we'll sit around

the campfire & swap stories of our adventures. (B,L,D)(B,L,D)(B,L,D)

- 2-Day National Park Entrance & Shuttle Bus services
- Hiking in Denali National Park

F Flights over Mt. Denali

DAYS 5 - 6 MACLAREN RIVER LODGE

Next up it's time to drive the Denali dirt road, admiring alpine vistas & staggering mountain passes. Then we'll head to the MacLaren River Lodge, where we'll meet our hospitable hosts Alan & Suzie. They know the local area better than anyone, & will take us on a boat ride up the glittering waters to the Glacier camp. Save your Insta snaps for upload later, 'cos there's no phone reception here – just camping, exploring & hiking in the wilderness. The next day we'll take a canoe back down the river for another night at the beautiful lodge. (B,L,D)(B,L,D)

- Boat Ride up to Glacier Camp
- Guided overnight stay at Glacier Camp
- Canoe trip on MacLaren River

DAYS 7 - 9 ST ELIAS

Over the next two days we'll enjoy the largest National Park in the United States, staying at the 'End of the road' campground. We'll travel 60 miles of gravel road stretching along the old Copper River & Northwestern railways. Once dotted with copper mines, this was also the site of the great Alaskan gold rush. Feeling inspired? Here we have endless adventure opportunities – hiking, ice-climbing, glacier walks, guided mine tours, rafter, scenic flights & more are yours for the choosing. (B,L,D)(B,L,D)(B,L,D)

F Root Glacier Hike

DAYS 10 - 11 VALDEZ

Set at the end point of the 800-mile Trans-Alaskan pipeline, Valdez is something of a miracle spot. After a disastrous oil spill in 1989, the

surrounding nature & wildlife have recovered in abundance & created a gorgeous landscape for us to explore. Today is packed with even more optional adventure activities – we recommend the Columbia Glacier Sea Kayaking for spectacular scenery & unique options to spot the local wildlife. (B,L)(B,L)

F Glacier/Iceberg Sea Kayaking

F Glacier Wildlife Cruise

DAY 12 ANCHORAGE

Today we'll finish our epic adventures in the 49th state, but not before admiring the views of the Worthington glacier as we traverse Thompson pass. One last lunch will allow us to see our farewells to Alaska, but we have a feeling you'll be back together soon enough. (B)

BEFORE YOU BOOK

WHAT'S INCLUDED THE ESSENTIALS

All accommodation, transport, and a good handful of meals, are included in the cost of your Contiki trip (we offer breakfast most days, plus a cherry-picked selection of local, fresh and tasty meals). We also provide our Included Experiences, which are basically the sights and activities we think you just can't afford to miss. And then of course you also get our expert and highly trained dream-team of Contiki staff: our Trip Managers and Drivers, and English-speaking Local Guides.

WHAT'S NOT INCLUDED

Flights, airport transfers or ferries to and from your start and end destination are not included in the cost of your trip. We also keep a number of meal times free for you to explore a region and its foodie offerings in greater detail, so budgeting for non-catered meals is important. In terms of activities, we offer Free Time Add-Ons, which are not included in the overall price. Travel insurance and visas are also not included in the cost of your trip, and need to be booked separately.

AIRFARES

Flights as specified on individual trip itineraries are included as part of the price. As detailed within our Booking Conditions (p.75) under 'General' we rely on international conventions regarding air travel & other transportation as specified. Through enrolment & payment for your trip you acknowledge & accept such. Individual electronic tickets may not be issued to you prior to travel due to the group nature of the air/flight booking. In such circumstances you acknowledge that by receipt of any applicable boarding pass &/or by boarding the aircraft you have accepted the airline's terms & conditions of travel & the application of all relevant International Conventions & applicable national & international law governing air transportation.

VISA REQUIREMENTS

Visas are super important and depending on your nationality you may require a visa to enter the USA and Canada. You are responsible for obtaining all necessary visas prior to the departure of your trip. Contact your travel agent (if applicable) to determine if you require a visa and how to get it. You will require a machine readable passport, your passport will need to be valid for at least six months after your arrival. Without enough validity, authorities may deny your entry into a country, even if you're only staying for a short while. It is now mandatory that all nationals, or citizens of Visa Waiver Program (VWP) countries who plan to travel to the United States for temporary business or pleasure under the VWP receive an electronic travel authorization through ESTA (Electronic System for Travel Authorization) prior to boarding a U.S. bound airplane or vessel. Applications must be filed online at least 72 hours prior to your departure date, at time of printing, the cost is currently US\$14. For more information please visit: www.cbp.gov or www.travel.state.gov or talk to your travel agent. Please visit <http://www.cic.gc.ca/english/visit/> apply-who.asp to check whether you need a visa to enter Canada.

IMPORTANT

1. Visas can take up to six weeks & a fee is normally charged.
2. Failure to obtain all necessary visas could cause you to miss part of your trip & will result in you incurring considerable expense & inconvenience. (Contiki is not legally permitted to allow anybody who does not have a valid visa to join a trip.)
3. It is better to apply for all visas through your travel agent or local consular services before you leave home.
4. It is very important that the entry & exit dates are correct on the visa. Your travel agent will contact Contiki for full details.

PACKING HOW MUCH LUGGAGE CAN I BRING?

- For our USA & Canada trips, luggage is restricted to one decent sized, non-expanding suitcase, approximately 73cm x 50cm x 25cm (29" x 20" x 10") with a maximum weight of 20 kilos (44lbs) plus one small hand/drop bag that can be used as an overnight bag.
- Trips with internal flights may incur a fee by the airline for 1 piece of luggage (determined by airline policy and it is subject to change without notice) and will for additional or overweight

bags & it is your responsibility to pay. Fees range from US\$25-\$100.

- Contiki reserves the right to refuse to accept larger suitcases on the trip.
- If you have your own ski/snowboard equipment, you may bring one pair of boots & skis or boots & snowboard. Otherwise, your Trip Manager can help arrange these for you in Lake Tahoe & on the Powder Rush trip.
- Baggage is carried at the owner's risk & baggage insurance is strongly recommended. Remember, if your trip includes a flight you are also subject to airline baggage restrictions.
- Contiki is not responsible for any costs incurred for overweight or additional luggage.

WHAT SHOULD I PACK FOR MY TRIP?

Comfortable, casual clothing for day wear & 'smart/casual' for dining & nights out. Remember that in Autumn/Winter you will need warmer clothing as well as a raincoat/jacket. A pair of comfortable walking shoes is essential. For further details, please refer to contiki.com.

TRAVEL INSURANCE DO I NEED TRAVEL INSURANCE?

A simple one - yes. It's essential that you take out travel insurance to cover the likes of cancellation, personal injury, medical expenses and loss of personal property. It's also super important to check that your insurance covers all of the activities you'll be partaking in, particularly any adventure activities for all you adrenaline junkies. Visit contiki.com/insurance for more information on this.

SLEEPING WHERE WILL I STAY?

HOTELS:
Our hotel accommodation is always twin-share (except in some Unique Special Stays), staying in superior tourist class hotels, many of which are centrally located, with great facilities. Twin-share is 2 people sharing, either travelling together or as a same-sex room match. We also offer upgrades to single rooms for a supplement. Please note that on rare occasions the availability of single rooms at some hotels can be limited. There is WiFi at most hotel accommodation so you can gram/snap/chat to your heart's content.

CAMPING:
Our accommodation is twin-share in roomy tents with comfy sleeping mats. Sleeping bags on the Southwest National Parks p.65, & Mighty Yosemite p.64 are included. Sleeping bags for the Grand Alaska trip can be rented for \$35.00 for the trip (price subject to change). Camping is a 'family' experience with shared facilities, tents will be set up and taken down by occupants, and all travellers will pitch in to cook.

GLAMPING:
This accommodation is triple-share, with options to upgrade to a double or single, in upscale, safari style tents with beds & shared facilities. **Note:** On occasion, due to reasons outside our control, alternative hotels may be used. Whilst it is always our intention to use hotels of a similar standard & location, no liability can be accepted for any variation of either. WiFi is not available at remote Special Stays.

TRIPS WITHIN TRIPS

You may notice on some of our trips that some groups join and leave at different stages. That's because we offer shorter trips within a larger itinerary, giving greater choice & flexibility so our travellers can choose when they start their trip and how long they travel for. You can check what trips are part of a bigger trip in the fine print on the actual trip page.

CONTIKI GLOSSARY

VISIT Your trip includes a stop and you'll get the opportunity to visit a specific site.

SEE/VIEW You will drive/pass by the site so that you can see it.

SIGHTSEEING TOUR A guided tour of a city or site.

ORIENTATION TOUR Places of interest are pointed out, allowing you to go and explore them in your own time.

WHAT ARE THE AGE RESTRICTIONS IN BARS & CASINOS?

Laws in the United States dealing with purchasing alcohol, entering nightclubs, bars & gambling in casinos are strictly enforced. You must be 21 years of age & will be asked for identification. Acceptable forms of identification to prove age include a valid passport or United States driver's license. Laws in Canada differ

from the United States, with 18 being the legal age in Alberta & Quebec & 19 being the legal age in British Columbia & Ontario for the above activities.

MAKING YOUR BOOKING

WHAT IS YOUR CANCELLATION POLICY?

We get that sometimes plans change unexpectedly, so our cancellation policy offers you absolute flexibility and comes in two parts:

The Freedom Guarantee
Guarantee policy ensures that even if your travel plans change, you'll never miss out or be charged fees for changing your booking. If you want to change the dates of your trip, swap onto another trip or even change your trip for a different region entirely, that's all possible, without incurring fees*.

FLEXDEPOSIT

FlexDeposit is a policy you automatically get once you've paid a deposit on any Contiki trip, and works as credit towards a future Contiki adventure, ensuring your deposit money isn't lost if you can't travel on your original trip as intended. FlexDeposit can be used up until your 36th birthday, after which time it can then be transferred for use with any other travel brand within The Travel Corporation family of brands. It can also be gifted to a friend within 5 years of the original booking date.

* You can find out more about both policies in the T&C's on p.75 & by visiting: contiki.com/freedomguarantee

NOW THAT YOU'VE BOOKED

However, thanks to our long-standing relationships with suppliers, you can be safe in the knowledge that you are getting the best deal when booking one of our Add-Ons. Look out for the F symbol on our trip pages for the Add-Ons available on each trip. These will also be listed in your travel documents.

HOW DO I PAY FOR FREE TIME ADD-ONS?

Payment for your Free Time Add-Ons is made direct to your Trip Manager on your trip. You can choose to pay in cash (local currency), or with a credit card. NO COMPULSORY TIPPING - REWARD ONLY EXCELLENCE!

Within USA and Canada, in service industries tipping is common practice. All other tipping is entirely optional, and not an expectation. If you feel your Contiki Team has delivered an outstanding level of service throughout your trip you may wish to tip them, but this is at your discretion, no one else's.

Please refer to our Terms and Conditions for further information in this regard. You must accept these risks involved in travel to any country that may experience security difficulties and accept responsibility for your own travel decisions.

BROCHURE AUTHENTICITY

We have put a great deal of effort into producing this brochure. The information given & literature produced by Contiki has been compiled with care & is published in good faith (this includes contiki.com & our brochures). Sometimes, because of circumstances outside our control, we have to alter some activities due to seasonal closing or repairs to buildings, etc., especially early or late in the season. YOUR RESPONSIBILITIES

1. BOOKING YOUR HOLIDAY

1.1 In order to reserve your holiday, a deposit of US\$200, per person per trip, or the full amount payable if booking is made within 60 days of departure from your home country, must be submitted to Contiki by you in respect of that holiday. This payment is in addition to any deposit required by your travel agent. The deposit is accepted as a first instalment of the holiday price by Contiki only once the booking has been confirmed in writing by Contiki or your travel agent.

1.2 Deposit and final payment will be converted to the local currency at point of booking. Conversion is based on the prevailing exchange rate at time of full/balance payment. Please check with your Travel Agent at time of payment.

1.3 Your land reservation will be confirmed on receipt of a non refundable deposit of US\$200 per person per trip, which must be within 7 days of booking or the reservation will automatically be cancelled.

1.4 Any special meal requirements will be made on a request basis only. Contiki cannot guarantee special meal requests nor will it assume any responsibility or liability if travellers' special meal requirements are not fulfilled.

2. PAYING THE BALANCE

2.1 The balance of the holiday price must be paid no later than 60 days before the scheduled holiday departure date from your home country which shall be by the due date stated on the confirmation issued to you by Contiki.

2.2 If payment isn't made by the due date, Contiki may assume that you have cancelled and cancellation charges in accordance with clause 3 below will be levied by Contiki.

2.3 Tickets and other documents won't be forwarded until full payment has been received by us.

2.4 In the case of Late Bookings made within 60 days of your departure from your home country, the full cost of the holiday will be payable immediately on booking and we reserve the right to provide all travel documents at the holiday departure point.

2.5 Contiki reserves the right to cancel the booking and apply cancellation charges should payments not be received within the above specified periods.

3. IF YOU CANCEL

3.1 **Freedom Guarantee/FlexDeposit** : We know that travel plans can change. If you need to cancel for any reason, your deposit will remain secure until you're ready to use it. Or if you can't go, your deposit value is transferable, so you can gift your deposit at no extra cost.

The value of the original deposit can be used as credit towards booking a new trip. The original deposit refers to the trip deposit only and excludes any additional deposits such as Inca Trail, or flights. Any monies already refunded are not applicable. The FlexDeposit will be applied as a discount on the final payment of your new trip. The amount allowed to be redeemed is equal to the original deposit amount paid. In the case of multiple deposits due to back to back trips, only one deposit amount can be credited per trip, they cannot be combined. However multiple trips can be booked using multiple FlexDeposits. Valid on all Contiki trips 7 days or longer. Credit is valid until the traveller turns 36. If fitting within Contiki's age limit as per Contiki's booking conditions. After turning 36 years of age, the FlexDeposit can be used with one of our sister brands, get inspired at www.ttc.com/brands/. Credit can also be gifted to family or friends. To gift to family or friends the customer must email confirmation to Contiki stating the nominated name. Gifting only valid within 5 calendar years of the original booking. (eg cancelled in 2014, valid on trips up to end of 2019). FlexDeposit is not valid on existing bookings. FlexDeposit has no cash value and is non-refundable. FlexDeposit is not combinable with Early Payment Discounts or Last Minute Deals within 120 days of original travel date.

3.2 Your deposit is non-refundable upon cancellation by you.

3.3 Upon cancellation you will be liable to pay a fee to cover the estimate of cost and expenses incurred by us in the terms of the schedule set out hereunder. This is expressed as a percentage of the holiday price and is calculated as follows:

CANCELLATION CHARGES (PER PERSON) IF YOU CANCEL YOUR TRIP	PERIOD OF NOTICE	CANCELLATION FEE	CANCELLATION FEE
DAYS BEFORE TRAVEL	LEVEL 1	LEVEL 2	
60+ days notice.....	Deposit is forfeited.....	Deposit is forfeited	
59-16 days notice.....	30% of trip fare	60% of trip fare	
15-8 days notice.....	50% of trip fare	90% of trip fare	
7-1 days notice.....	90% of trip fare	100% of trip fare	
Day of departure.....	100% of trip fare	100% of trip fare	

Where the percentage cancellation fee is less than the trip deposit, the cancellation fee will equal loss of deposit. If the reason for cancellation falls within the terms of any holiday insurance policy which you hold, then any such charges may, subject to the terms of your insurance policy, be refunded to you by the insurance company. All Cancellation policies valid as at 16th May, 2019, and are subject to change. Final policy will be confirmed at time of booking.

3.4 In the event that you should not be granted a visa, we have devised this unique scheme to protect you against the necessary cancellation fees detailed above. For trips costing up to US\$1,000 - waiver fee US\$79 per person. For trips costing over US\$1,000 - waiver fee US\$89 per person. Waiver fees are payable at the time of booking and are non-refundable. They do not apply to cancellations due to changes of mind or for medical reasons. To protect yourself against these and other eventualities, you should ask your Travel Agent about a suitable insurance policy. N.B. This scheme is applicable only in the event that you provide documentary proof of having a visa application refused.

To be eligible for the purchase of the visa waiver insurance, travellers are encouraged to do so as early as possible when they make their trip booking. If we do not hear from you or your travel agent 30 days before the trip, we will assume that your visa application has not been approved and we will have to cancel your reservation. However, you can always re-book your trip (subject to availability) should your visa approval come inside 30 days. Bookings made within 30 days without the necessary visa approvals are not eligible for this visa waiver insurance and will be subject to the standard cancellation terms and conditions.

3.5 Any cancellation of additional services booked prior to & after your trip booking, such as pre & post accommodation, transfers and pre booking Free Time Add-Ons are subject to the following cancellation fees:

PERIOD OF NOTICE	CANCELLATION FEE
60 – 22 days.....	25%
21 – 15 days.....	30%
14 days to day of departure	100%

3.6 These cancellation fees are in addition to any cancellation fees that may be levied by your travel agent. All Cancellation policies valid as at 16th May, 2019 and are subject to change. Final policy will be confirmed at time of booking.

5.2 Travellers must be aged between 18 & 35 inclusive to travel on Contiki trips.

5.3 Contiki must be advised of any medical conditions or physical disability requiring special attention before you book your holiday. If you do not advise us at this stage, we may refuse to accept your booking. We may also refuse you if we feel that the holiday chosen is not suitable without a suitably qualified companion. Contiki will try to help you with your requirements but cannot guarantee to do so, either on our own or our suppliers' (such as hotels, restaurants and excursions) behalf. Many of our holidays involve getting on and off coaches, walking tours and other physical activities. Some holidays may not be suitable for you if you rely on a wheelchair or have certain other disabilities. Should your disability require you to have special assistance, it is a condition of Contiki accepting your booking that you provide evidence satisfactory to us that an able-bodied person will accompany you and is able to provide any special needs or services that you may require. Contiki will not be responsible for the failure of this person to provide these services.

You agree to comply with the authority and decisions of the appointed Contiki Representative and the laws of the country in which you are travelling. If you do not so comply or if, in the Contiki Representative's opinion, you are not compatible with the general enjoyment and well being of other members on the holiday or smooth operation of the holiday itself, we reserve the right to refuse to let you continue with the holiday. We do not tolerate the possession or carriage of illegal or restricted substances (drugs). Furthermore, you agree that your fellow travellers and any Contiki Representative has the right to travel/work in a safe environment. Any threats to their safety, well being or inappropriate behaviour by you, whether verbal or physical, will be taken extremely seriously and may result in the immediate termination of your holiday. In either event, you will be responsible for your own repatriation and related costs and have no claims against us.

If you have ever had DVT, pulmonary embolism, a family history of clotting conditions, cancer, or treatment for cancer, stroke, heart or lung disease, or if you have had major surgery in the past three months we recommend you consult your doctor before travelling.

Contiki is not responsible for any costs incurred as a result of failing to obtain necessary visas.
