TRAVEL AS A FORCE FOR GOOD

#MAKETRAVELMATTER

Travel provides the opportunity to delve deeper into the way different cultures and communities live. It also shows us what needs protecting and preserving – our planet, our people and wildlife. Join us as we ensure that travel is a force for good.

ARTISAN GLASSBLOWING, VENICE

INTRODUCING NEW MAKE TRAVEL MATTER EXPERIENCES

As an Insight guest, you will enjoy many experiences on your trip that align with our values of sustainable tourism.

We choose experiences, restaurants and hotels that make a powerful impact through their actions, from rebuilding a community centre in war-torn parts of Croatia to preserving the ancient art of glassblowing on the Venetian island of Murano.

In India, you can visit a café where acid attack survivors are rebuilding their lives and in Italy you can mingle with Alessandro and his nonna at their sustainable restaurant, linking their organic, farm fresh produce with your dining table.

Meet Sir Ludo Shaw Stewart and help keep a slice of Scottish history alive during a visit to his 18th century estate, where you'll dine on locally sourced food and hear about his renewable energy and recycling initiatives.

Look out for the icon below to identify these Make Travel Matter Experiences and many more in the opening pages of this brochure. You can also find more details on the highlights panel of individual trip pages.

REASONS TO GO GUIDED

SUPPORT LOCAL COMMUNITIES | Tourism is vital for each community we visit, and many small, family-owned businesses have been impacted by the decline in travel. We have carefully researched the best experiences for you to enjoy and cherish forever, all while supporting local businesses and communities on the road to recovery.

TREADRIGHT FOUNDATION GRANT RECIPIENTS

Insight Vacations is a founding member of the TreadRight Foundation, a non-profit organisation that supports community-based programmes to preserve local culture and traditions, as well as protect our planet and wildlife. As an Insight guest, you will have the opportunity to visit TreadRight Foundation grant recipients to see the inspiring work that is being done and learn more about sustainable tourism practices.

WOMEN'S COOPERATIVE, JORDAN

SOUL TRAVEL BLOG

ARTISAN HERITAGE IN AMMAN, JORDAN

The women are taught to make cultural handicrafts, including ceramics and textiles, which are then sold in their gift shop and online. As an Insight guest, you can see the work in progress and hear about how it has improved their community.

FLAMENCO SCHOOL, SEVILLE, SPAIN

FLAMENCO DANCING IN SEVILLE, SPAIN

Founded in 1993, the non-profit Cristina Heeren Foundation aims to promote and preserve the art of flamenco dancing, both in Spain and internationally. As an Insight guest, you will meet students who have received a TreadRight Foundation grant to continue their studies in this art form. Enjoy a dance lesson, learning some easy steps and understanding the passion within the movements. After sangria and olives on the terrace, watch the students take to the stage for a stunning flamenco performance from the front row.

MARTA AND HER WEAVERS, PERUGIA, ITALY

TRADITIONAL WEAVING IN PERUGIA, ITALY

Visit Laboratorio Giuditta Brozetti, one of the last traditional weaving workshops in Italy, situated in the Church of San Francesco delle Donne, in medieval Perugia. Since World War I, the Brozetti family have practiced the art of hand-weaving textiles on antique wooden looms. As an Insight guest, meet Marta Brozetti to discover how she's leading a new generation of weavers and investing in e-commerce to preserve this tradition.

DAY 2 | ATHENS, CITY OF GODS

Today your mythical Grecian discovery encapsulates the intriguing history of ancient Greece. Begin with an exploration revealing the Temple of Olympian Zeus and Arch of Hadrian. Next, your Local Expert takes you to the Acropolis, one of the most important ancient sites in the Western world. Crowning the top is the Parthenon, visible from almost everywhere in the city. See the Temple of Athena Nike, also known as the Temple of the Wingless Victory, and the six stone-carved caryatids that make up the Porch of the Maidens on the Erechtheion.

Continue to Thermopylae, famous as the mountain pass where King Leonidas led his Spartan army, along with fellow Greek soldiers, into battle against the Persians in 480 B.C. See the memorial dedicated to Leonidas and his courageous Spartans.

Then on to your hotel in Kalambaka for dinner. (B) (DW)

DAY 3 | THE PINNACLES OF METEORA

Relaxed Start. With your Local Expert, visit the UNESCO World Heritage Site of Meteora, meaning 'in the air.' The massive pinnacles of smooth rock are ancient, yet could also be the setting for a futuristic science-fiction tale. Visit one of the monasteries, that adds to the strange and beautiful landscape and enjoy stunning views over the Peneios Valley.

The rest of the day is at your leisure. Why not explore with a relaxed walk on the nature trails? Alternatively, you may wish to visit the Natural History Museum. (B)

Pass the Parian marble Treasury of the Athenians and Polygonal Wall with its interlocking stones, still perfectly intact after thousands of years. You'll approach the Temple of Apollo, where for 14 centuries the mysterious Oracle of Delphi breathed her enigmatic 'words,' rumoured to have successfully predicted events related to the Argonauts expedition and the Trojan War. Your travels continue to Olympia, where dinner is served in your hotel. (B) (DW)

See the ruined Temple of Zeus that was built to honour the ruler of the gods. Continue your exploration through time to the athletes gymnasium and the Ancient Stadium of Olympia with its characteristic arch. The starting and finishing markers for the sprint track are still marked by stones and there is time to capture your own memory, with a photo at the starting line.

In the evening, join a local chef for an entertaining cooking demonstration showcasing classic Greek cuisine. Experience authentic Greek flavours, as you savour dishes prepared for your Highlight Dinner. (B) (DW)
